Valley County Gun Club Range Safety Rules
Acknowledgement & Verification of Compliance

The use of Firearms on the gun range carries inherent risks for participants and observers. Due to these risks, we require all members and guests to read the entire form and sign the Verification of Compliance.

- **Firearm must be pointed in a safe direction (i.e., target, berm, etc…) at all times**. If a firearm is pointed at a person – by accident or intentionally – that person is done shooting for the day. Should there be a shooting-related incident or continued violation of this VCGC Safety Rule, the VCGC Board will determine future action.

- **Bay Usage:** Pistol Bays are for Pistol Calibers only. Rifle Calibers must use the Rifle Bay. If you would like clarification on this, please contact VCGC before signing this document.

- **Multi-Use Bay Usage**: (This bay is under final development and ONLY available for restricted use)
  Due to Safety Issues – This bay is for use only with prior Board Approval-Only. Intentional violation of this Rule may result in loss of VCGC Membership and possible prosecution. Contact: John Kwiatkowski 208.501.3513

- **Shotguns: no shotgun skeet, trap, or clays are permitted on the VCGC range at this time.** Shotguns are only permitted on the Rifle Bays for use on paper targets only. Exceptions may be permitted for VCGC sanctioned events, where Certified RSO(s) are present.

- **Full-Auto, Forced Reset Trigger (FRT) and Bump Stocks** are not allowed at VCGC.

- **Steel & Green Tip Ammunition** is not allowed, as it destroys our targets.

- **50 caliber rifles are Not allowed at the Range**

- **Exploding Targets e.g. Tannerite are Not allowed at the Range**

- **Alcohol and drugs** are not permitted at the VCGC and all participants affirm they are not under the influence.

- **Wildlife:** under no circumstances are you allowed to shoot at any wildlife at the range. This includes but is not limited to chipmunks, ground squirrels, foxes, birds, deer Violating this will result in revocation of membership.

This Acknowledgement & Verification of Compliance must be renewed every calendar year. While on the VCGC Range or participating in any VCGC sponsored activity, I will direct any questions pertaining to said rules to VCGC Board Members, Range Safety Officer (RSO), or VCGC Staff on duty.

By affixing my name below, I agree I have read and agree to the terms of this document.
